Thank you for your financial contributions whether submitted entirely, throughout these weeks in the yellow envelopes and/or by increasing your regular Sunday offerings each week. **To date, we have received \$97,995.06! This amount combined with the \$150,000 in reserved accounts has allowed the expansion project to continue without using the credit line thus far.**

WORLD MEETING OF FAMILIES

Chapter 10: Choosing Life We began this catechesis by explaining that God made us for a reason. The God we meet in Jesus Christ loves us, and calls us to love as he does. Marriage is the sacrament that brings human fertility into this mission of love. If we understand that love is our mission in our marriages, families, and parishes, then we have learned a basic truth that will shape many other areas of life. For example, if fidelity to the covenant requires restraint and perseverance, if our bodies and the material world can be vessels of divine grace, then we can approach questions of sexuality, ecology, technology, and medicine with renewed commitment and insight. If we have learned to think of our families as domestic churches, if we have learned why moral individualism is not the right context for receiving Catholic teaching, then we have adopted a view that will reorient our whole identity. This mission is not reserved for the few or for the extraordinary. Nor does it mean that families somehow have to stop being themselves or seek after some impossible perfection in order to witness to the Gospel. It may mean that we are sometimes minorities in a secular culture that sees life differently. But the Church has wide experience of many different cultural contexts, offering wisdom and advice about spiritual practices to sustain us. Please see the catechism for more details. Love is our origin and destiny, which is why only the way of love can truly satisfy, and that is why Love is Our Mission.
